

What is Occasional Care?

Occasional Care is care on an occasional basis, based within a local preschool setting. We provide 'now and then' sessional care to enable parents/ caregivers to participate in leisure activities, follow up commitments or keep appointments.

Occasional Care provides wonderful opportunities for children 2-4 y.o. to play and learn with our staff and each other and experience the kindergarten environment and its resources.

SESSIONS

Thursday 08:45 – 11:30am

Thursday 12:00pm – 2:45

Who is it for?

Care is provided for children aged from 2 years to 4 years. A priority of access applies.

What does it cost?

The standard fee is \$5 per session. Families holding a current Health Care Card receive a concession to \$1.50 per session. Families with more than one child attending the same Occasional Care session or a session within the same week receive a 50% reduction for siblings (ie \$2.50 each child or 75cents each for concession holders).

We ask that you advise us of a cancellation as soon as possible prior to the commencement of the session. The fee will still apply but this gives us the opportunity to offer the place to another family.

What will my child do?

Your child will have access to a range of developmentally appropriate activities, enabling them to explore safely in a caring environment.

This is a great opportunity to prepare your child for kindergarten by familiarising them with the staff and environment.

We understand that Occasional Care is often a child's first experience of child care and this may be unsettling for both you and your child. If you are concerned that your child may be distressed for any reason, please let us know.

Guidelines for booking

- * Our centre has spaces available for 8 children in each session.
- * Bookings are made on a termly basis.
- * Cancellations may be made via the answering machine.
- * An upfront payment of termly Occasional Care fees, based on current prices and number of sessions allocated, will be charged to each family.
- * Payment on the first session your child/ren attends will confirm your bookings.
- * On arrival your child must be signed in.
- * In the case of absence for any reason, no refund will be made, as this affects our utilization figures and therefore our future government funding.
- * We also have 2 emergency care places that can be booked by telephone.

What do I need to bring?

Your child will need a bag containing:

- * A hat
- * Drink of water
- * A piece of fruit or healthy alternative if they do not eat fruit
- * A spare set of clothes
- * Nappies, wipes and plastic bags

Please ensure EVERYTHING is clearly named.

PLEASE WRITE YOUR CHILD'S NAME IN A PROMINENT PLACE ON THEIR BAG SO STAFF CAN IDENTIFY IT EASILY AND QUICKLY.

This is especially important for very young children who cannot identify their own bags.

Sunscreen

Parents are asked to apply this before the beginning of the session.
